## Message from the President

WELCOME EVERYONE! It's been a very trying two years because of the pandemic, and we are now slowly getting back to normal.

The Media, Sunday and Wednesday bingos have kept our club going during these last years. Thank you for all who organized and participated.

We are having a Member's Drive in May to sign up new members. People ask, "What are the benefits of joining the Eagles Club?"

We have discounts on hall rentals, free use of the lounge, we have two (5'x10') pool tables, shuffleboard and dart boards. Have fun at our golf tournament in the summer and shufflecurl in the winter. (You do not have to be a member to join these events.)

I look forward to seeing everyone at the club and events!

Sincerely,

Ken Moore

President, The Fraternal Order of Eagles Aerie #3870

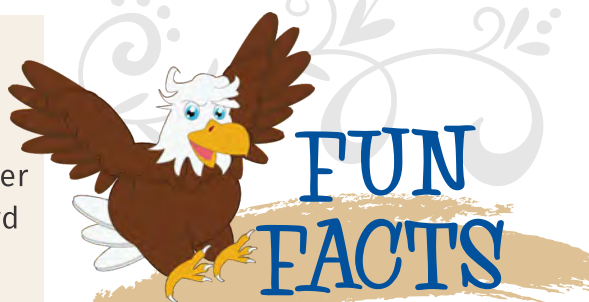

## Our History

The Eagles were founded on February 6th, 1898 by six theater owners in a waterfront shipyard in Seattle.

The theater owners were competitors who had come together to discuss a musicians' strike. After deciding how to handle the strike, they agreed to "bury the hatchet" and form an organization dubbed "The Order of Good Things."

At a later date, they became known as The Fraternal Order of Eagles. The Ladies Auxiliary was formed in 1927.

The meeting place or building where Eagles have their meetings and social events is called an Aerie.

## Did you know?

John F. Kennedy, Ronald Regan, Bob Hope and Gordie Howe have held Eagles memberships?

# Volunteer Positions Available

# Has the worst of the COVID-19 pandemic passed?

by David Komosky

The executives and members of the Fraternal Order of Eagles #3870 in St. Norbert sure hope so, and are pressing ahead with plans to get back to "normal" in the weeks and months ahead.

The Eagles Club welcomes back regular members and invites the general public to come in and enjoy the many events and activities available.

Aerie president Ken Moore looks forward to seeing regular members back at the club after an extended period away.

"We've been apart too long," says Moore. "It's time to get back together. I'm eager to see a lot of my old friends back at the club, and new members, enjoying themselves."

Prospective new members should know there are many attractions to choose from, and no doubt more to come as the club gets back to regular business.

The central hub of activities is the club lounge with its warm, friendly atmosphere and bar.

The lounge also features several activities, including shuffleboard and dart boards, and members are particularly proud of their two, 5-by-10 pool tables, which are among the best in the city and can be played on at very reasonable rates.

There is also a cribbage tournament held every Tuesday in the lounge.

Members can also book the lounge, free of charge, for special celebrations such as birthdays or retirements, and earn a discount on hall rentals.

Non-members can also book the lounge or hall at reasonable rates. To book, call the club at (204) 269-4332.

The Eagles Club is also looking forward to resuming two special events.

The golf tournament, held at the La Broquerie Golf Course in the summer, is gearing up once again, and plans are in the works to resume of hugely-popular ShuffleCurl event in January. Members and non-members are welcome to take part in these rollicking good-time events.

There has never been a better time to join the Eagles Club #3870.

So come down to 3459 Pembina Hwy in St. Norbert, and have a look. You can experience the good times the club has offered for many successful years.

We look forward to seeing you!
